

ARTIFICIAL INTELLIGENCE MEDICAL AND ENGINEERING RESEARCHERS SOCIETY

Lifetime Achievement Award

Presented to

Dr. KE Sreenivasa Murthy

For his exemplary contributions to Electronics and Communication Engineering as a Professor and Principal for various Engineering Colleges With over 26 years of teaching and research experience, Dr. Murthy has been a guiding force behind numerous Ph.D. scholars. His dedication to academia and leadership roles as Principal in various engineering colleges underlines his commitment to advancing engineering education and research.

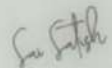

Dr. KE Sreenivasa Murthy

Dr. K.E. Sreenivasa Murthy - A torchbearer in the field of Electronics and Communication Engineering, whose dedication and mentorship have illuminated the paths of countless researchers. May his enduring legacy inspire future generations to reach new heights of innovation and discovery.

In the halls of knowledge, where
circuits intertwine,
Dr. Murthy stands, a beacon so
fine.
With wisdom vast, and insight
deep,
He nurtures minds, never to
sleep.
Through decades of service, his
legacy unfolds,
In scholarly works, his story told.
A mentor to many, a pioneer
true,
His journey inspires, through
and through.
Dr. KE Sreenivasa Murthy
